Hi Mike,

The draft summary was submitted for review but I don't recall getting a final version back. I will go through my archived emails to see if I can track it down. A final, approved summary may not exist. Meanwhile, see the draft reply below. Yellow highlighted info has been added.

Thx

Thanks Trish,
I thought that we did do a summary of that listening session but I guess not.
I would also recommend running your reply by Mike D'Andrea.

Ms Taylor,

I participated in a listening session for Pennsylvania residents of the Susquehanna River Basin which you facilitated at the Philadelphia EPA office on October 8, 2011. Thank you again for the effort you put into it. When the meeting was breaking up, you stated that a summary would be posted to the EPA website. I've neither found any mention of the meeting on your web site nor received any followup to the meeting.

If something has been posted, could you please send me the link? If an email was sent to participants, could you please send me a copy? If neither of these has taken place, could you please provide me with a statement outlining what EPA learned at the meeting and what changes, if any, were made to policies or practices, or any other actions taken as a result?

Thank you.

John Kesich
